such gentlemen theUniversity may fix suitable rates as per ordinances. In the case of gentlemen from ~~in~~out-side the state appointed as members of Boards of Studies or other committees, the Registrar's proposals are not very clear. If it is intended that the rates of t.a. admissible according to theBritish Civil Service Regulations to Government of India Officers in active service should be allowed, the officers ~~relieved~~ fined from such service will have to be permitted to draw at rates admissible to them when they were last in such service. And special rates have also to be prescribed in respect of non-official gentlemen coming from out-side ~~or inside~~ the State. It is hardly fair to make a distinction between non-officials within the State and those from outside. If however the object of the Registrar is for modification of that portion of the rule only which relates to the grant of Railway fare - Return 1st class fare plus 3rd class fare to servant ~~in lieu of~~ for double Railway fare 1st class (Vide para 3 (3) (b) of Government Order dated 25th April 1919), ~~The~~ proposal seems deserving of consideration. This seems likely from the previous correspondence It will no doubt involve some increase in cost, but that cannot be helped in the circumstances explained by the Registrar.

GENERAL AND REVENUE DEPARTMENTS.

**Order No. Fl. 5767-816 -S. & A. 83-18-1, dated 25th April 1919.**

Government have had under consideration for some time past the question of systematising the grant of travelling allowance to retired officers of Government and non-official gentlemen for journeys undertaken to attend meetings of Councils, Committees, Conferences and other bodies constituted under the authority of Government.

2. The existing rules as contained in Article 548 to 553, Mysore Service Regulations and in Government Order No. 5578-9—Edn. 54-16-25, dated the 22nd January 1917 are to some extent complicated and anomalous.

3. On a careful consideration of all aspects of the case, Government are pleased to pass the following revised rules:—

(1) All official members attending meetings of Councils, Committees, etc., constituted under Government Orders will be entitled to draw travelling allowance as for journeys on tour whether the allowances are paid from the State or other funds.

(2) In respect of members other than official, undertaking journeys for the purpose of attending such meetings no distinction will be made in the matter of travelling allowance between non-officials, who are retired officers of Government and other non-official gentlemen except in respect of retired Dewans and Councillors whose rates of travelling allowance will be regulated by special orders. The existing rules and rates applicable to the cases of retired Dewans and Councillors remain unaffected.

(3) As regards all other non-official gentlemen attending any such meetings the rates will be regulated as follows:—

(*a*) For attending meetings connected with the bodies included in List A of the annexure to this order.

| | | |
|---|---|---|
| Railway fare | .. .. | Double 1st Class |
| Road mileage | .. .. | 8 annas a mile |
| Halting allowance | .. .. | Rs. 7-8-0 a day for each day of sitting |

(*b*) For attending meetings connected with the bodies included in List B of the annexure to this order.

| | | |
|---|---|---|
| Railway fare | .. .. | Return 1st Class fare and one 3rd Class fare for servant to and fro |
| Road mileage | .. .. | 6 annas a mile |
| Halting allowance | .. .. | Rs. 5-0-0 for each day of sitting |

(*c*) For attending meetings connected with the bodies included in List C of the annexure to this order.

| | | |
|---|---|---|
| Railway fare | .. .. | Double 2nd Class |
| Road mileage | .. .. | 4 annas a mile |
| Halting allowance | .. .. | Nil |

4. Attendance at Sub-Committees, Select Committees, Special Committees, etc., of the several bodies will be treated as meetings of the bodies themselves for the purpose of this order. Non-official members should be requested to mention their ordinary places of residence and travelling allowance should always be calculated

from and to such place. When a Sunday or other holidays intervene between two consecutive sittings, halting allowance for such days will be allowed.

5. The necessary addenda and corrigenda to the Mysore Service Regulations will issue separately.
